CC Docket No. 02-6

Re: WAIVER REQUEST

We are appealing the decision to change the Service Start Date/Funding Commitment Change Decision. During the funding year, Guthrie Job Corps hired the services of a consulting firm named E-Rate Program to file the necessary forms for successful receipt of E-rate funding for the 2008/09 cycle.

The E-rate Program Consulting company (231 S. Bemiston, Suite 800, St. Louis, Mo 63105), neglected to file the 486 and 472 forms within the 120 days, to secure funding, after the Funding Commitment Decision Letter was issued. That consultant was terminated and our company, K12 Educational Consulting was hired to follow up on the previous year's funding and to file for the 2009/10 cycle.

While researching the 2008/09 filing, we noticed a 486 was never filed for our client. We quickly filed the appropriate 486 and learned that a new start date and funding commitment was issued. We would like to strenuously request, the client was never negligent in their responsibilities, but unfortunately trusted a consultant who was negligent. We would like to request an exception or extension to the original Start Date, due to the negligence of their original consultant and ask for reinstatement to the original start date and the original funding commitment amount.

Thank you in advance for your time and consideration to this request and we trust you will be sensitive to our awkward role in this matter. If you have any questions, please don't hesitate to call or write.
